Rich –

There was a small typo in the version I sent this morning in the 2nd paragraph of the introduction – 2012 should be 2021. Updated version attached.

Subject: PSC and Climate Change

Rich –

See attached write up regarding climate change. After the intro, you will see a marked up version of the original climate change language. Please take a look and let's discuss, and see if we can get something out in advance of the PSC discussion on Friday.

Thanks
